Solis Marine Consultants (Qingdao Office), 6B Inter Royal Building, No.15 DongHaiXi Road, Qingdao 266071, P.R. China

### EMPLOYMENT HISTORY

2018 to Present      Solis Marine Consultants (Qingdao Office)  
Senior Surveyor

2016 to 2018      He Ocean Insurance Surveyors & Adjusters Co., Ltd.,  
Executive Director, Master Mariner

Responsible for setting up He Ocean Insurance Surveyors & Adjusters Co., Ltd., as well as applying and obtaining in January 2018, the qualified license from Beijing- China Insurance Regulatory Commission, with a business scope covering all Chinese ports.

He Ocean Insurance Surveyors & Adjusters Co., Ltd., was developed from Qingdao New Ocean Marine Surveyors & Consultants Co., Ltd., which was also founded by Capt. Wang in 2008.

He has extensive experience conducting investigations into shipping incidents on behalf of owners, charterers, insurers and law firms, these investigations have included collisions, groundings, fish farm damage, cargo shortage disputes and cargo damage claims. Casualty response work has included attendance at several incidents, including vessel grounding on a reef causing hull fracture at Weihai anchorage in 2009 and a vessel collision incident leading to loss of vessel in 2010. He has significant experience of dealing with casualty first response, soybean cargo damage, loss adjusting and fishery farm loss adjusting. In addition to providing a full range of survey services for P&I Survey and H&M survey.

2008 to 2016                    Qingdao New Ocean Marine Surveyors & Consultants Co., Ltd.,  
Executive Director, Master Mariner.

In 2008, Capt. Wang assisted a ship management company to set up the SMS for running until DOC was issued by the China MSA. Since 2009, Jason Wang started his P&I Surveyor career under appointment by P&I correspondent HuaTai Qingdao. He undertook a wide range of shipping related work covering shipping incident investigation, salvage, soybean cargo claims, H&M surveys and full condition surveys. He has often worked with experts and lawyers appointed by P&I Clubs and underwriters for vessel collision cases, soybean cargo damage cases and ship repair surveys in shipyards. He has also represented clients at the Qingdao Marine Court for a soybean cargo shortage dispute. Other P&I matters such as oil cargo shortage, free water gauging dispute for tankers and crew injury have also been carried out. Capt. Wang has acted for many of the International group of P&I Clubs since commencing his surveying career. Capt. Wang is also responsible for recruitment and training of surveyors.
